MOTION TO WITHDRAW PETITION FOR LIMITED WAIVER

United Wireless Communications, Inc., and WestLink Communications, L.L.C. (“Petitioners”), by their undersigned attorneys, hereby files this Motion to Withdraw their Petition for Limited Waiver filed in the above-captioned dockets. On September 30, 2013, the FCC issued an Order on Reconsideration¹ in which it amended its text-to-911 bounce back rule to the rule to specify that when a consumer attempts to send a text to 911 while roaming on a CMRS network, the CMRS provider offering roaming service (host provider) satisfies its bounce-back obligation provided that it does not impede the consumer’s text to the consumer’s home network provider (home provider) or impede any bounce-back message generated by the home provider back to the consumer. As a result of the Order, it appears that the subject Petition is now moot.

¹ *In re Facilitating the Deployment of Text-to-911 and other Next Generation 911 Applications; Framework for Next Generation 911 Deployment*, Order on Reconsideration, PS Docket Nos. 11-153, 10-255 (rel. Sept. 30, 2013).

Petitioners now move the Commission to permit withdrawal of the subject request for limited waiver. The companies reserve the right to request such other relief as necessary should circumstances warrant in the future.

Respectfully submitted,
